BlackRock

Job-Titel:
2020 Placement Programme (6 months off cycle) Relationship Management Frankfurt

Job-Beschreibung
BlackRock offers off-cycle internship opportunities for a duration of 6 months in our Frankfurt office. This opportunity gives you a chance to work closely and add value to a specific team, set and complete objectives and be exposed to the culture and ethos at BlackRock. During the internship, you will develop new skills and gain valuable experience within the Asset Management industry. You will also have the opportunity to find out more about our full-time graduate opportunities.

To be eligible for the program, you should be graduating in 2021 from either an undergraduate or Master’s degree and have less than 18 months of relevant full time work experience. Fluency in German is required.

Anforderungsprofil
AS AN OFF CYCLE INTERN YOU WILL
• Serve as the primary day-to-day contact for sales, service, and communication to clients, consultants, and intermediaries.
• Support the development of distribution strategy, including product, segment and market perspectives.
• Assist in business initiative projects, learning how to act as a project manager.
• Collaborate with senior relationship managers to deliver BlackRock investment expertise and innovative solutions across all asset classes to clients.
